PAUL BURKS,

Defendant.
)

THIS MATTER is before the court on review of redlined versions of the PSRs of codefendants Dawn Wright-Olivares and Daniel Olivares, which have been submitted under seal and in accordance with the court's earlier Order (#46). After reviewing such submissions *in camera*, the court finds that the proposed redactions provide defendant with facts contained in the PSRs related to the alleged scheme and facts as to the co-defendants that could be used for impeachment purpose if they were to testify. The court further concurs with the government that the portions that have been redacted are not discoverable.

ORDER

IT IS, THEREFORE, ORDERED that the government disclose to defendant the PSRs as redacted.
